Dear Fantasy Runners,

The month of May Gardner Village decorates their shops with Woodland Fairies. So to tie into their Spring Celebration we have made this theme race called the Fantasy Run. Guys get bug shirts and girls fairy wings. We do not require runners to dress up but these items will be available to you to run in.

This race starts at the Water Tower at Gardner Village and is an out and back on the Jordan River Parkway Trail System. We ask that you pay attention to the course. We will try to have volunteers for every turn on the trail however sometimes not all volunteers in staying where they are supposed to be. We hope they are all right where they are set to be, however if you have any doubt we tell you to look at the course.

Spectators – We encourage spectators for the race. The best location for spectating is at the Start and finish which are the same location as Gardner Village. The rest of the course is a paved trail with not a lot of room to cheer without getting in the way. Also the start and finish has the most fun and excitement. Going on the trail could put you or your spectator in danger.

Timing is done via timing chips. These chips are attached to the back of your bib numbers so do not remove them or fold them. As you finish the race please proceed to away from the finish line for at least 10 seconds. Timing Systems mark your last read as you finish until you leave the timing zone for 10 seconds.

The turn out for this race was an OK however we did not get a lot of participation interest in the Half Marathon. We will not be doing the Half Marathon for this reason. We refunded those nine that registered or double credited them. Due to this we will be changing the 5K/10K course slightly. The 5K will be the same as in many of our other 5K's at Gardner Village with an out and back and will not go over the second bridge as the online map planned. The 10K will be out and back twice of the 5K to get the distance. It will increase the size and energy of the race. See map on this guide for details.

At the finish we encourage you to look for our Head Fairy who will be giving out finisher medals and bubbles with her magic wand.

We hope you have fun,

Aid Stations

There is one aid station at the turn around for the 5K and one at the windmill for the turn around for the 10K to head back on the course. 10K will get three aid stations. Powerade and Water will be at each. The course will obviously have cups and volunteers support. Potties will be at the finish but we will have one at the 5K turn around as well for 10K racers.

Course Map

Start Gardner Village near the Water Tower and head Southeast along the road. At the Trail head go on to the Jordan River Parkway Trail. There you will again head South. The course heads to a gate in which the 5K and 10K will turn around and head back. The 10K runners will turn around at the windmill in Gardner Village and do the race one more time to get the distance. Racers will not go over the second bridge heading south!!! If you go over it you will miss the turn around and aid station. A sign and volunteer will be there to help make sure no one turns over it.

Parking

There is plenty of parking in the back of Gardner Village for runners and spectators.

Check out www.OnHillEvents.com for our 2018 Schedule of races. One edit we are excited about is the Provo Midnight Run will not be held in 2018 due to construction on the Provo River Trail. It has been replaced by the Jurassic Run 5K www.jurassicrun.com at the Ogden Dinosaur Park. This race will awesome with realistic dinosaurs on the course and a few that will chase you!!!
